Paintball Challenge! - Oct. 17th

Get ready for a thrilling laser tag event on October 17th! The Vancouver Chapter of DeMolay will face off against three champions from each local Masonic lodge in a high-energy battle. The victor will be announced with fanfare, so let's unite and show our strength!

Join us next Wednesday for an escape room challenge to sharpen our teamwork for the laser tag showdown. Collaborate, solve puzzles, and build the skills needed to triumph over the lodges' champions. Come ready to strategize and have fun!

Advisors Corner

Every DeMolay has something unique to offer, whether it's an idea, a skill, or just a willingness to help. What makes a strong Chapter isn't perfection, it's participation.

Patriotism means more than flags and parades, it's about showing pride in your community and doing your part to make it better. When you engage, lead, and support your brothers, you're helping build something bigger than yourself. That's the kind of citizenship DeMolay is all about!
