We're thrilled to celebrate all the hard work put into this year's fair booth with a fun-filled pizza party! Join us at Dice Age Games, located at 10411 NE Fourth Plain Blvd #127, Vancouver, WA 98662, for an evening of food, games, and camaraderie. The party kicks off at 7:00 PM, so don't be late!

Come hungry and ready to enjoy a well-deserved night of fun. Check out <https://www.diceagegames.com/> for more details about the venue. Dice Age Games is open until 9:00 PM on Wednesday, giving us plenty of time to celebrate!

Advisors Corner

Comradeship is more than just being friendly, it's about building trust, standing by each other, and lifting one another up when it matters most.

True friendship in DeMolay means knowing you're never facing challenges alone. The bonds formed here can last a lifetime, because they're built on shared values, effort, and support. Take time this week to check in with a Brother, you never know how much it might mean.
