Galloping Gavel Stolen!

Mid-Columbia Now in Possession

Last night at Empire Chapter's Official Visit, Mid-Columbia rolled in—and walked out victorious! Traveling all the way up with their boys, they have officially STOLEN the Galloping Gavel from Empire Chapter!

Now the gavel is sitting comfortably in Mid-Columbia's hands... but for how long? Follow the travels on its dedicated Facebook page: <https://www.facebook.com/WAGallop>

Advisors Corner

Earning your proficiency isn't just a requirement—it's a milestone on your journey to becoming a full, active member of the Chapter.

Take pride in learning your part, and remember that every step brings you closer to deeper involvement, leadership opportunities, and the full DeMolay experience. We're here to support you—ask questions, practice often, and don't be afraid to shine!

IT'S BLOOMING ONION TIME!

Working the County Fair is our Chapter's only fundraising event.

Let's build up funds for our upcoming year of fellowship!

No experience needed; experienced adults are on every shift.
